Detailed description: This block contains the control panel of the scale. It features a digital display screen on the left, which is currently blank. To the right of the display are four buttons: a red button with a diagonal line, a white button labeled "TARA", a white button labeled "Z", and a white button labeled "IMP". The brand name "BALMAK" is printed in large, bold, red letters. Above the display, the unit "kg" is indicated. Below the display, the text "Zero", "Líquido", and "Fixo" are visible. The model name "MOBILE" is printed in a stylized font, followed by "ELP - 256B". At the bottom of the panel, technical specifications are listed: "Max: 10kg/20kg Min: 40g ± 0,1g". A small barcode and the brand name "ITAI" are located at the top right of the control panel.
